

LE **GRANDE**

# FINALE

1 to 4 Juni 2023

Lake Garde in the North

## Le Grande Finale

We have noticed that the number of active participants in the Eribelle Treffen is decreasing with the cause of the change to another type of camping equipment, Covid19 and of course we are not getting any younger!

The idea was born to do something different and also to invite the former participants who have switched to another camping equipment, a kind of reunion. In addition, Veronique has sold her caravan (but is present at the Treffen!) and the future of the Eribelle Treffen in its current form is a bit uncertain, so hence le Grande Finale !

## Camping in Lattrop-Breklenkamp

For the Grande Finale of the Eribelle Treffen we are very welcome in the province of Overijssel and in Lattrop-Breklenkamp. Get a breath of fresh air in the wooded area, or take the cultural road with a visit to one of the many Twente estates or regional producers.

But whoever thought that Twente is only to rest, is wrong. In the area there are weekly events such as a car rodeo, a horse competition and various music festivals. Furthermore, there are many day activities in the area that are suitable for young and old.

We stay at Camping De Rammelbeek, the campsite has been a nice quiet campsite in Twente for 50 years. The campsite in Twente is ideal as a base for [cycling](#) and [walking](#) through one of the [nature reserves](#) or towns such as Ootmarsum. There are also various day activities for families such as [Nordhorn Zoo](#), [Cosmos Observatory](#), [indoor playgrounds](#) and [\(indoor\) swimming pools](#).

At the campsite we have access to a "private" Eribelle site with its own sanitary facilities.

For the participants of the Eribelle-Treffen there is a special rate, which is valid from Thursday to Sunday, of only € 60.50 per Eribelle. The departure on Sunday is not tied to a certain time, so plenty of time to prepare everything for departure.

## Programm

Welcome : On Thursday 1 June you are welcome at Camping De Rammelbeek from 12:00. That evening, the official opening ceremony will take place at 19:00. In good weather on the Eribelle site, in bad weather will be moved to a covered place elsewhere on the campsite.

Joint "dining": The joint dining depends on the possibilities that we will have by the time of the Treffen.

## Joint activities

At the moment we do not have any activities, but we are busy figuring out the possibilities to be able to carry out something with a large group.
